GRAPE VINE SPECIALISTS

FREDONIA, N. Y.

## Our Specialty

FOR MORE than forty-five years we have made the growing of high grade **Grape Vines a specialty.** Our annual plantings average over one hundred acres, embracing many millions of vines, closely planted in nursery rows. We aim to keep in stock everything for the Planter or Dealer, all graded to our standard, known as the Fredonia Standard, which we originated many years ago, and now well known to the trade wherever grape vines are planted. Through our immense business and wide acquaintance we have established a national reputation for accuracy in varieties, grading to the highest standard, and promptness in filling orders, of which we are proud, and which it will always be our aim to deserve.

**LOCATION**—Three miles south of Dunkirk, forty miles west of Buffalo, on the L. S. & M. S. R. R.; Erie R. R.; N. Y. Chi. & St. L. (Nickel Plate) R. R.; Penn'a R. R.; and D. A. V. & P. R. R. Electric cars connecting with all day and evening trains at Dunkirk go directly past our office and cellars, at 29 Central Avenue, every half hour during the day and evening.

**PACKING** done in the most thorough manner. No charge for boxes.

**TIME OF SHIPMENT**—October 1 to June 1. Our stock being stored in cellars, can be safely sent by mail or express during winter, or by freight, with special care in packing.

**WE NEVER SUBSTITUTE**, but we reserve the right to fill orders for one-year vines with older vines of the same size, unless instructed to the contrary, and for two-year vines with extra large one-year of the same size as the two-year.

**SAMPLES** will be mailed to those wishing to purchase in quantity, at 100 rates with five cents added for postage on three one-year vines, and ten cents on three two-year vines.

**ACCEPTANCE OF ORDERS**—It is mutually understood and agreed between this company and the purchaser that all orders accepted by the company are subject to the following conditions, viz:

1. The company guarantees all stock to be in good healthy condition at the time and point of shipment.
2. It shall not be held liable for loss of or damage to stock in transit.

3. It warrants all stock true to name and of quality represented, with the express understanding and agreement with the purchaser that, should any prove not true to name it will refund the money paid, or will replace with other stock, but shall not be liable to damages other than herein named.

4. The purchaser waives all claims and damages against this company resulting from failure to fill orders where delivery is prevented by the loss of the company's stock by fire or the elements before shipment.

5. All orders shall be filled subject to the above conditions.

## SPECIAL NOTICE

We had a splendid growing season and all our stock will be extra strong in root and top.

We advise our customers to place their orders early while our stock is yet complete for as the season advances we shall be out on many kinds and grades as our supply is not as large as usual.

## Copy of Certificate of Inspection

A Certificate of Inspection will be sent with every shipment and where State laws require it stock will be fumigated with hydrocyanic gas of the strength usually employed for that purpose.

## President Wilder Currant

We cannot praise this variety too highly. It is the best Red Currant to plant commercially. See what large fruit growers say of it.

NORTH EAST, PA.

My experience with the President Wilder this past year corroborates that of previous years; that it is the best all around red currant for the market, yielding better, hanging longer without the fruit withering than any other variety. It is one of the best, in fact THE best grower we have and we have tried them all.
